

**International Society for Medication Adherence (ESPACOMP)
30th ESPACOMP Annual Conference
Utrecht, The Netherlands
19-20 November 2026**

DIGITAL POSTER PRESENTATION GUIDELINES

Please read and respect the following guidelines when preparing your digital poster.

Poster Format

This year, posters will be presented **digitally**. There will be four locations at the conference venue where the posters can be viewed on large LCD screens (minimum of 55 inch).

Please prepare your digital poster taking into account:

- **LANDSCAPE orientation for your poster, with 16:9 as format**
- **Use MS PowerPoint in PPTX format.** The on-site computers will handle Windows versions of MS PowerPoint only.
- **Only one slide** is allowed per poster
- Please do not insert videos or animations.
- All posters must be presented in **English**, the official language of the conference.

Poster Sessions

All digital posters will be available for review by conference attendees on Thursday and Friday, as described in the conference program. Posters will be organized by content area, not in chronological or alphabetical order. At each poster location, the selected posters will be continuously shown during a slideshow. Poster authors/presenters are kindly asked to be present at their poster location during breaks to answer any questions conference attendees may have and discuss their work, and thus benefit most of the opportunities of on-site meeting.

The formal digital poster sessions will be held on **Thursday November 19th from 13:30 until 14:30** and on **Friday November 20th from 13:30 until 14:30**. Information on which session your poster has been allocated to will be sent to you by November 5th to the email address provided during the abstract submission.

All poster presenters are requested to give **a short oral presentation of their poster** (maximum of 5 minutes: 3 minutes presentation followed by 2 minutes of discussion). The moderators of the poster sessions will be at the poster locations **at 13:25 on the day your poster has been scheduled** to be presented. Please ensure that you are present at your poster location at this time.

Email your poster

All posters must be **emailed** to the conference organisation via info@espacomp.nl before **November 16, 17:00h**. Posters emailed after this date will **NOT** be included in the poster sessions. Please use the following **format for the filename**: presenter's first name_presenter's surname_poster2026 (e.g. Marcia_Vervloet_poster2026).

Jean-Michel Métry poster prize

Every year, a prize is awarded to **the best poster**. Each poster is evaluated by a review committee for eligibility for the Jean-Michel Métry Poster Prize. The winner of this prize will be announced on Friday **November 20th at 16:30**, before the closure of the meeting. The prize is a free registration to next year's ESPACOMP conference.

Registration

All presenters must register for ESPACOMP membership and conference access before **November 5th** at the latest. This can be done on the ESPACOMP website (<https://www.espacomp.eu/annual-meetings/>).
